

# Data of Marriage License Statistics\*

Finding the effect of pandemic to people getting marriage

Yuanchen Miao

September 19, 2024

See the difference of the number of marriage licence each month before/after the pandemic from the graph

## 1 Introduction

You can and should cross-reference sections and sub-sections. We use R Core Team (2023), Gelfand (2022), and Wickham et al. (2019).

The remainder of this paper is structured as follows. Section [2](#)

---

\*Code and data are available at: <https://github.com/RohanAlexander> and <https://open.toronto.ca/dataset/marriage-licence-statistics/>

## 2 Data

Some of our data is of marriage liscence (Figure 1), from Gelfand (2022).

Figure 1: Marriage license statistics in months
